

SHORT ON TIME?
FEELING CONFUSED ABOUT
WHAT DOCUMENTS YOU NEED
PRIOR TO INVESTMENT?

OUR SPECIALISTS ARE
AVAILABLE TO HELP.

Need help with documents?

Starting a business and raising funds can be a challenging process. Entrepreneurs concentrating on their business models may lack the time or expertise to form the requisite documentation required for investment.

At blackcitrus, our primary focus is helping entrepreneurs raise funds to grow their business. This is why we have formed a team of Specialists that can assist entrepreneurs and remove the burdens associated with document preparation.

To prevent any delay, blackcitrus Specialists that are experienced and proficient at developing and forming such documents, work closely with entrepreneurs ensuring their business receives the highest quality credentials and evidence.

Specialist Placement Program

At blackcitrus, we offer Specialist placement in your business to prepare the documents required prior to investment. Our Specialists come from a vast background of corporate disciplines, and the most suited Specialist is placed in your business accordingly.

Specialist services include:

- Forming Information and Investment Memorandums
- Financial reports including Profit & Loss statements, Balance Sheets, Cash Flow statements and valuation
- Forming business plans
- Marketing strategy reports
- Legal services
- Prospectus development

Specialist Fees

Blackcitrus can place an experienced professional within your business at a largely subsidised rate. Prices start from \$30 per hour.

Depending on your criteria, this may be fully funded by blackcitrus.
